# SYNTHETIC — Water pipe installation

SYNTHETIC-WP02 · Project cutoff 2026-10-16

INSPECT-001 · 2026-10-16

## SYNTHETIC — Visible leak at pipe flange

WORK-001 · Inspector Synthetic observer · Evidence SYNTHETIC-FINDING-PHOTO-1

**SYNTHETIC leakage** · Priority basis SYNTHETIC priority: contain leakage and inspect before further testing · QAISSUE-001

### FIX-001 · Closed by recorded reinspection

SYNTHETIC — inspect gasket and record actual corrective work

Synthetic repair owner · Due 2026-10-18

Finding → repair → reinspection history

### REPAIR-001 · Corrective work submission · Requested

2026-10-16 · Synthetic repair owner

SYNTHETIC first gasket repair submitted

Method Not recorded

Criterion Not recorded

Evidence SYNTHETIC-REPAIR-PHOTO-1

FDG-QA-1 | Repair submission for NCR: FIX-001

### RECHECK-001 · Corrective reinspection · Failed

2026-10-16 · Synthetic verifier

SYNTHETIC leakage remains

Method SYNTHETIC inspection method reference

Criterion SYNTHETIC project criterion; no engineering standard claimed

Evidence SYNTHETIC-FAILED-RECHECK

FDG-QA-1 | Reinspection of NCR: FIX-001
Repair record: REPAIR-001
Authority reference: SYNTHETIC reviewer assignment reference

### REPAIR-002 · Corrective work submission · Requested

2026-10-16 · Synthetic repair owner

SYNTHETIC second gasket repair submitted

Method Not recorded

Criterion Not recorded

Evidence SYNTHETIC-REPAIR-PHOTO-2

FDG-QA-1 | Repair submission for NCR: FIX-001

### RECHECK-002 · Corrective reinspection · Passed

2026-10-16 · Synthetic verifier

SYNTHETIC criterion observed as satisfied

Method SYNTHETIC inspection method reference

Criterion SYNTHETIC project criterion; no engineering standard claimed

Evidence SYNTHETIC-PASSED-RECHECK

FDG-QA-1 | Reinspection of NCR: FIX-001
Repair record: REPAIR-002
Authority reference: SYNTHETIC reviewer assignment reference

Reported/verified/QA accepted quantities remain separate in the original Daily records. This workflow does not change those quantities. Preserve actual evidence originals and qualified review authority.
